

# CITY OF SHERIDAN CAPITAL IMPROVEMENT PROGRAM

## PROJECT DETAIL SHEET

**Project Title:** Lewis Street Bridge

**Project Location:** The proposed project includes the Lewis Street bridge crossing over Big Goose Creek between Marion and Dow. It also modifies the current intersection of Lewis, Dow, and Alger Streets.

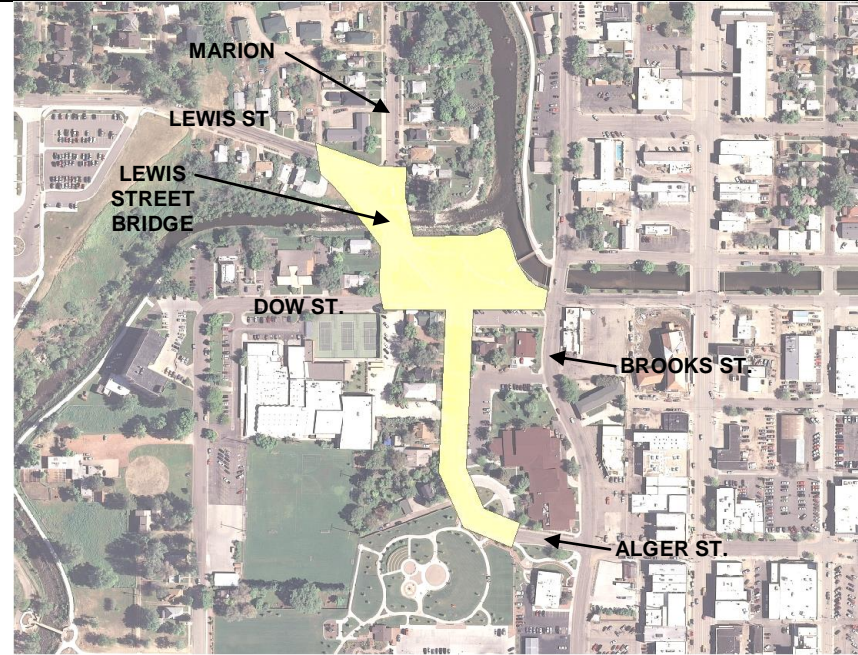

**Project Status:** Design nearing completion, construction anticipated to start late 2013.

**Description and Justification:** The Lewis Street Bridge has a low sufficiency rating as determined by the Wyoming Department of Transportation (WYDOT). Problems with the bridge include: rusting of steel columns supporting the bridge, leaking joints, and replacement of missing bronze bearing plates. It is currently not to the point of requiring weight limit posting; however, because of its low rating, the project is eligible for 80% matching grant funds that are administered by WYDOT.

In addition to the bridge replacement, water, sewer and storm drain utilities will be replaced and the Big Goose Creek pathway extended beneath the bridge.

To utilize the WYDOT funding program, the City must make its contribution to WYDOT, which will administer construction of the bridge replacement and associated utilities.

**Relationship to Comprehensive Plans:** Safe bridges that are owned by the City are paramount to the safety of the driving public.

LEWIS STREET BRIDGE	Optional 1% Sales Tax	CFT	Water and Sewer Funds	SLIB Mineral Royalty Grant	SLIB Consensus	Other Funding Sources	Totals
Street Reconstruction	\$ 50,000	\$ 1,000,000	\$ -	\$ -		\$ 1,500,000	\$ 2,550,000
Storm Drain System	\$ 100,000	\$ 400,000	\$ -	\$ -	\$ -	\$ 400,000	\$ 900,000
Water Mains and Services	\$ -	\$ -	\$ 250,000	\$ -	\$ -	\$ -	\$ 250,000
Sanitary Sewer Mains and Services	\$ -	\$ -	\$ 250,000	\$ -		\$ -	\$ 250,000
Street Enhancements	\$ 50,000	\$ -	\$ -	\$ -	\$ -	\$ -	\$ 50,000
Totals	\$ 200,000	\$ 1,400,000	\$ 500,000	\$ -	\$ -	\$ 1,900,000	\$ 4,000,000
